WHY ARE WE RIDING?

The Bangladesh Bible Society is seeking to reach children with the word of God through a literacy course designed especially for preschool-aged children in the rural and remote areas of Bangladesh.

In Bangladesh, tribal children (including those in the Garo, Santali, Chakma, Marma, and Tripura tribes) all start school in the Bengali language even though they speak in their mother tongue. Some of these tribes do not even have their language in written form, so learning literacy in Bengali is the only option.

Will you help us turn on the light of literacy for another 10,000 students this year?
